

Dawn Farm Education Series

Current Information on Chemical Dependency and Recovery

Psychiatric Disorders in Chemically Dependent Individuals: Diagnostic and Treatment Considerations

Will be presented on Tuesday, April 27, 2010
7:30 pm to 9:00 pm

by Dr. Patrick Gibbons, LMSW, DO

This program will provide an overview of co-occurring addiction and psychiatric illness, including standard diagnostic criteria, individual considerations for determining the appropriate course of treatment, available treatment interventions, and the perspectives of both the addict and the treatment provider on addiction and psychiatric illness.

Free and open to anyone interested in attending!

The program will be held at the St. Joseph Mercy Hospital Education Center,
in the auditorium (ground floor) at 5305 Elliott Drive, Ypsilanti, Michigan.
(Park in parking area "P")

FREE admission. Registration is not required.
A certificate of attendance can be provided.

FREE C.E. (1.5 hours) is offered (approved by the Michigan Certification Board
for Addiction Professionals)
