

Dawn Farm Education Series

Current Information on Chemical Dependency and Recovery

The Dawn Farm Education Series will include the following
FREE program addressing eating disorder recovery.

Eating Disorders

Tuesday, June 22, 2010: 7:30 pm to 9:00 pm

Presented by Carl Christensen, MD, Ph.D., Addictionologist; and
Lori Perpich, TLLP, MS Clinical Behavioral Psychology; cognitive
behavioral therapist and EDEN program facilitator

This program will examine the evidence that eating disorders are true biopsychosocial diseases, similar to chemical dependency. It will define various eating disorders and their consequences, explore neurobiological theories of addiction, discuss screening tools used for eating disorders, and provide information on treatment options and resources for eating disorders.

People with a personal or professional interest in this topic
are welcome to attend.

The program will be held at the St. Joseph Mercy Hospital Education Center,
5305 Elliott Drive, Ypsilanti, Michigan; in the auditorium (first floor)

FREE admission. Registration is not required. A certificate of attendance can be provided.
FREE C.E. (1.5 hours) are offered (approved by the Michigan Certification Board for
Addiction Professionals)
